Interrogating the AI

THE SETUP

Anatoly pauses the presentation to summon a third participant into the live call.

LIVE FEED: ACTIVE
PARTICIPANT: SESAME AI

PARTICIPANT: SESAME AI
LANGUAGE: ENGLISH

THE TOOL

Using Sesame AI to generate a highly responsive 'Virtual Frank' persona.

LIVE FEED: ACTIVE
PARTICIPANT: LEVEL AI

LANGUAGE: ENGLISH
ENCRYPTION: LEVEL 5

THE MISSION

Tutor May is tasked with live-interrogating the AI character to practice spontaneous conversational English.

THE CONFESSION

OFFICIAL TRANSCRIPT // VIRTUAL SUBJECT

“Look, fraud is such a heavy word... I prefer to think of it as a high-level game of wit. It's like a cheat code for life. If you look the part, they just assume the rest is true. You know what I'm saying?”

— Transcript excerpt from “Virtual Frank” (Sesame AI) live roleplay during the lesson.

Gamifying the Chase

Opening the Case (Multiple Choice)

Testing May's memory on the plot ending.
(Answer: He becomes an FBI consultant).

Who's Who (Quote Attribution)

Guessing character quotes.
Who said, "You didn't have
anyone else to call."?
(Answer: Carl Hanratty).

Evidence Safe (Term Matching)

Connecting vocabulary.
Matching "Bar Exam" to
"Law Licensing Exam".
UI turns green on
correct match.

The Mastermind's Toolkit

CLASSIFIED EQUIPMENT MANIFEST

GEMINI AI

Generated the highly detailed, thematic slide deck featuring the vintage aesthetic and paperclips.

SESAME AI

Deployed for real-time, low-latency conversational roleplay with the Virtual Frank persona.

CUSTOM CHINESE MODEL

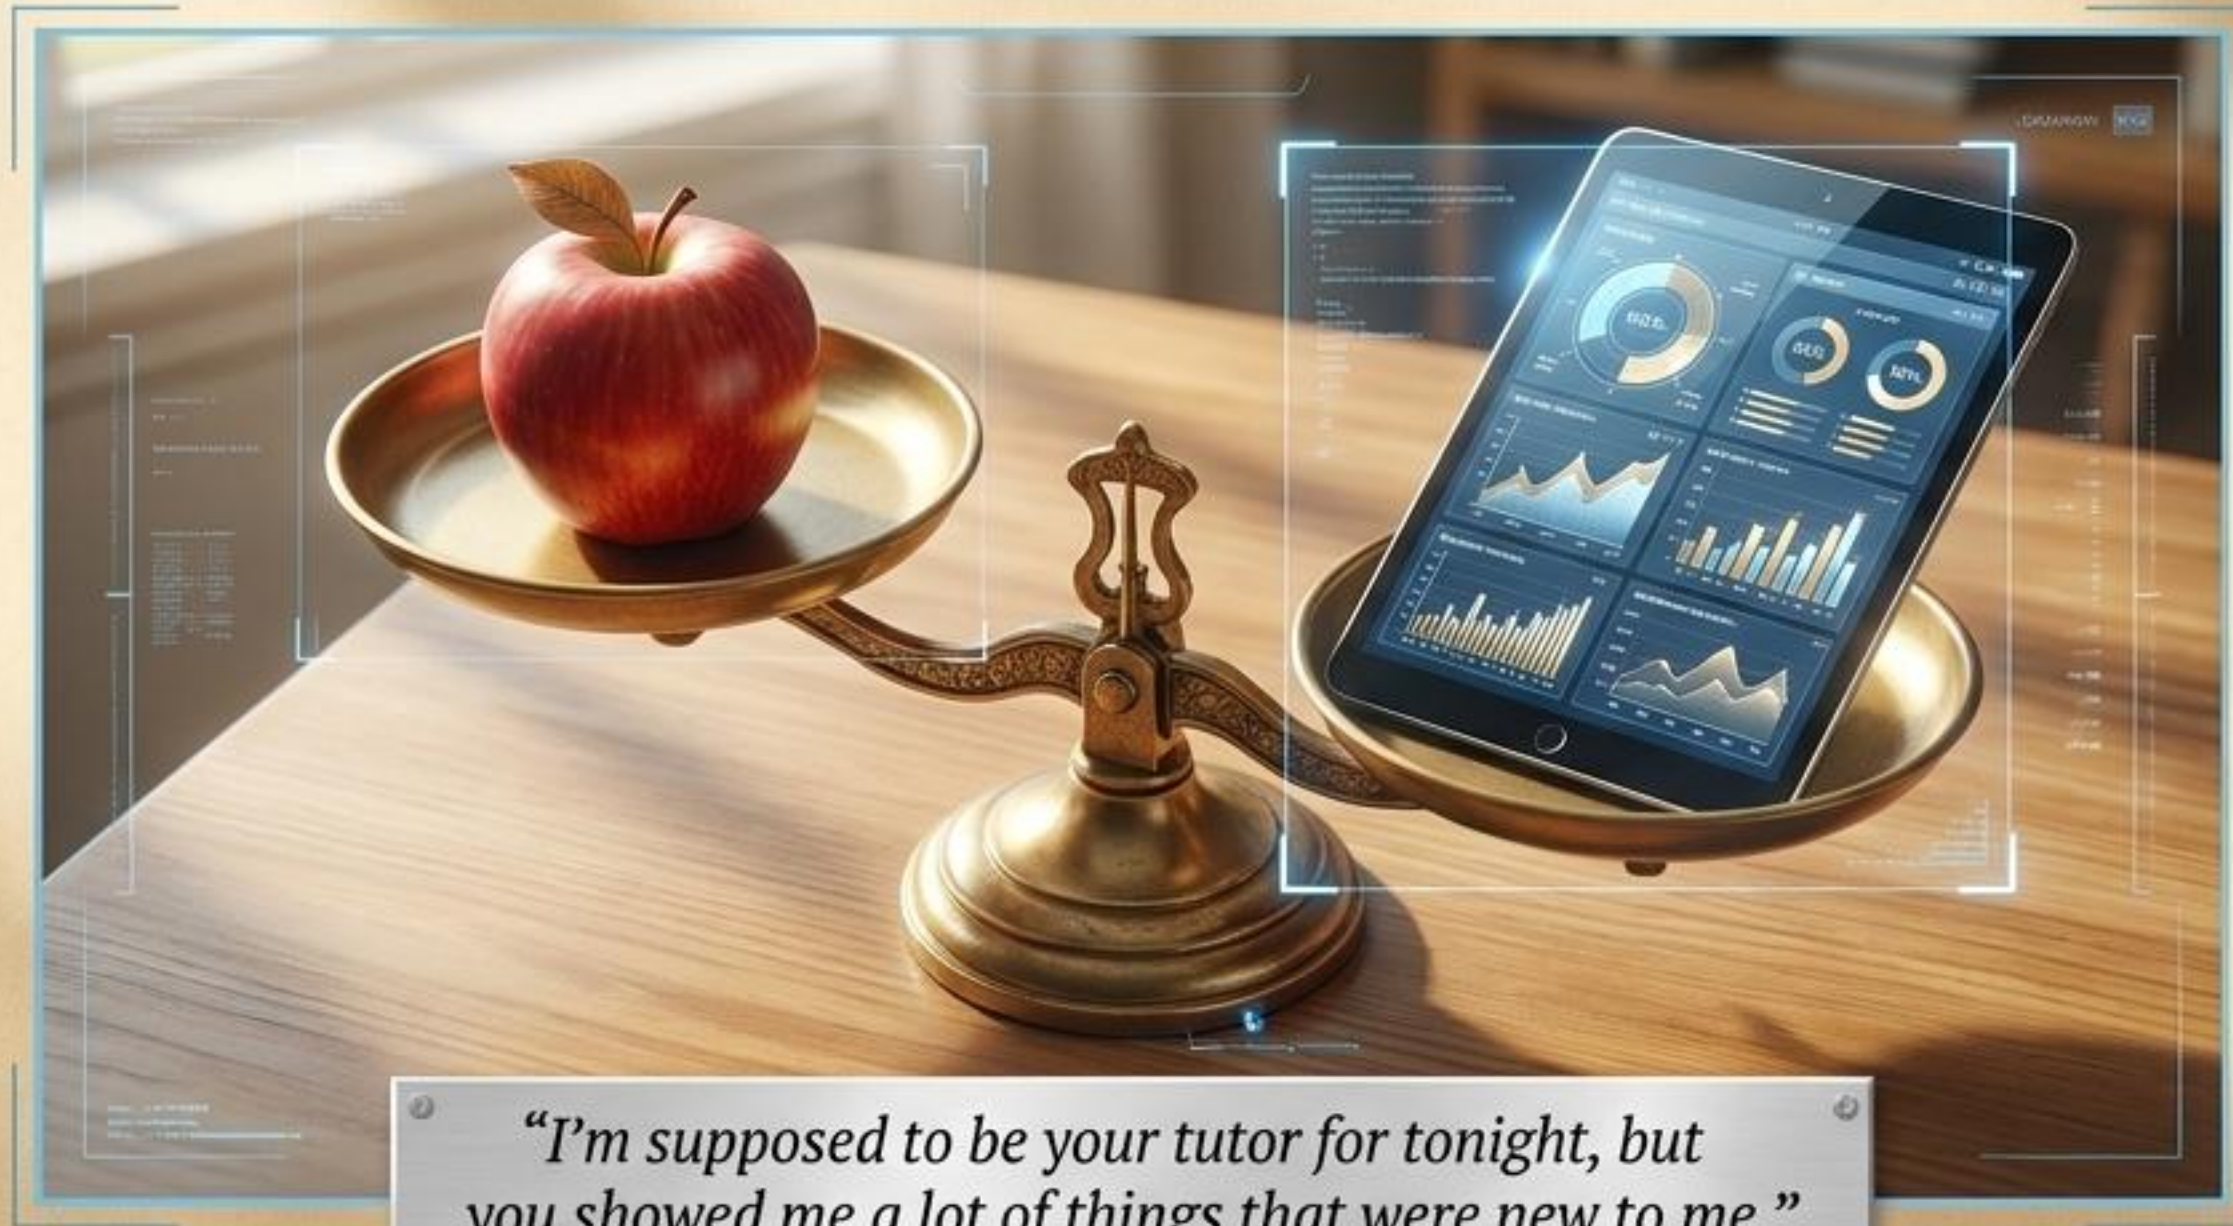

Utilized specifically to code and render the custom interactive trivia game UI.

DEEP SEEK

The student's primary general-purpose AI for daily exploration and technical preparation.

The Ultimate Heist: Role Reversal

"I'm supposed to be your tutor for tonight, but you showed me a lot of things that were new to me."

— Tutor May

AI does not just augment the teacher's lesson plan; it empowers the student to become the primary architect of their own educational experience.
