

Vibrant Cuba: A Journey from Coast to City

Explore the sights, learn the culture, and practice your English.

Day 1

Adventures!

Welcome to Cuba! Today, we will travel through three unique landscapes to build your descriptive vocabulary.

Part 1: The Coastal Shores

Discovering the language of nature, relaxation, and the sea.

Tranquil: calm, peaceful,
without noise or violence

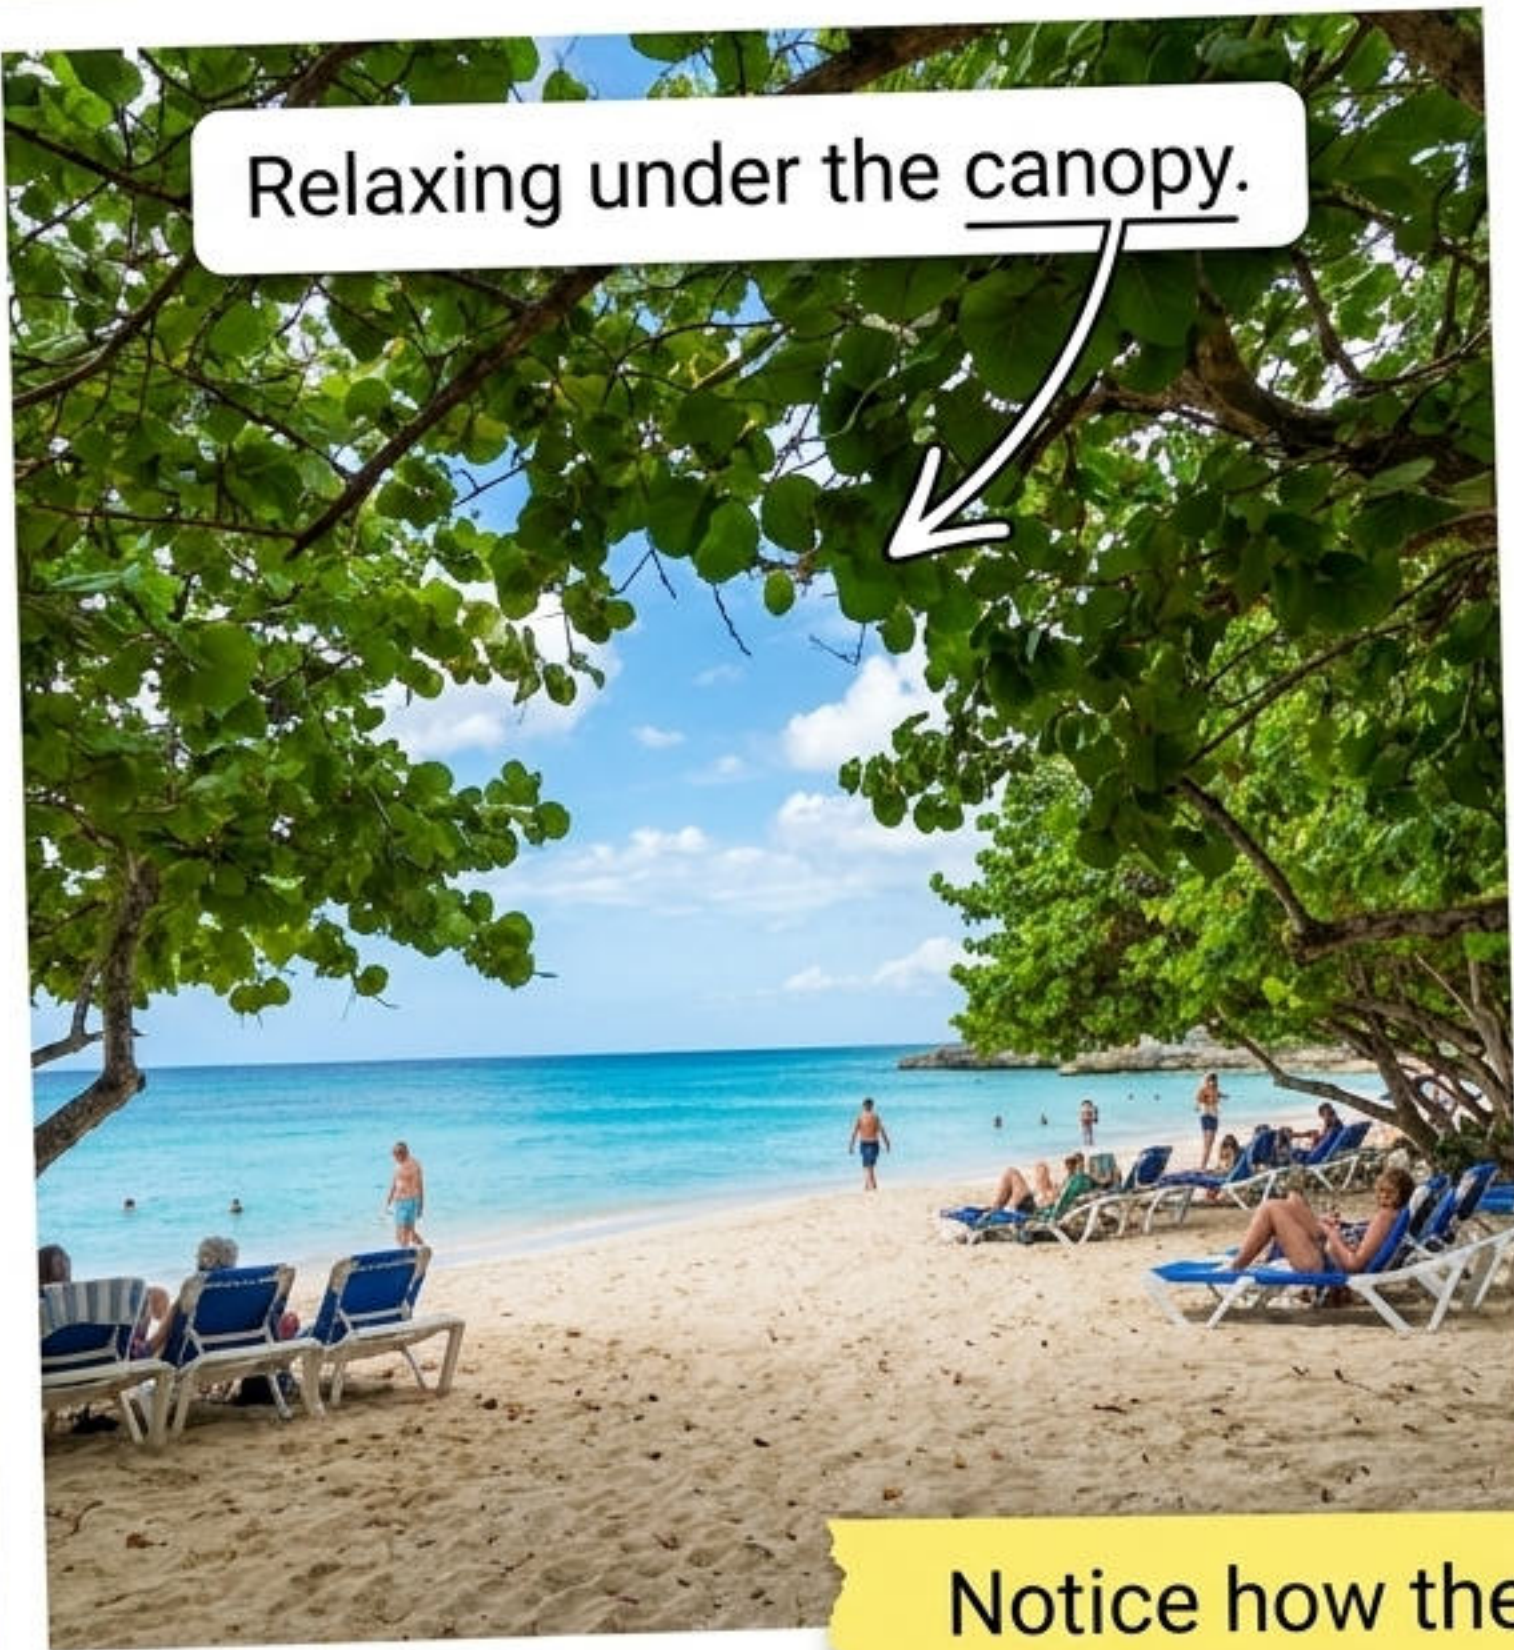

Turquoise: a bright
greenish-blue color

Rippled:
having a surface covered
with small waves

Pristine:
in its original condition;
unspoiled and clean

Relaxing under the canopy.

Exploring the rugged shoreline.

Notice how the landscape changes
from soft sand to hard stone.

A wide-angle photograph of a long, multi-lane concrete viaduct stretching across a lush, green tropical forest. The bridge features a series of tall, A-frame concrete supports. In the distance, a small cluster of buildings is visible on a hillside. The sky is filled with heavy, grey clouds.

Part 2: The Rural Heart

Learning the vocabulary
of agriculture, history, and
a slower pace of life.

A **modest** home surrounded by lush, tropical plants.

(Modest: simple, not showy)

The **rural** landscape relies heavily on **agricultural** vehicles to move goods and people along dirt paths.

(Rural: relating to the countryside)

The Monument

(a structure built to remember a person or event)

The Inscription

(words carved into stone or metal)

The Relief Sculpture

(artwork where figures project out from a flat background)

A vibrant street scene in Havana, Cuba. The foreground is a cobblestone street. On the right, a blue building with a white door and a small balcony is visible. A young boy in a pink shirt and grey shorts stands near the door. On the left, there are stone steps leading up to a brick building, with a large green tree and a flowering bush in the background. A red semi-transparent box is overlaid on the center of the image, containing the title and subtitle.

Part 3: Historic Havana

Exploring the words of urban architecture,
classic style, and city life.

Classic on the Outside...

Iconic
(widely recognized
and well-established)

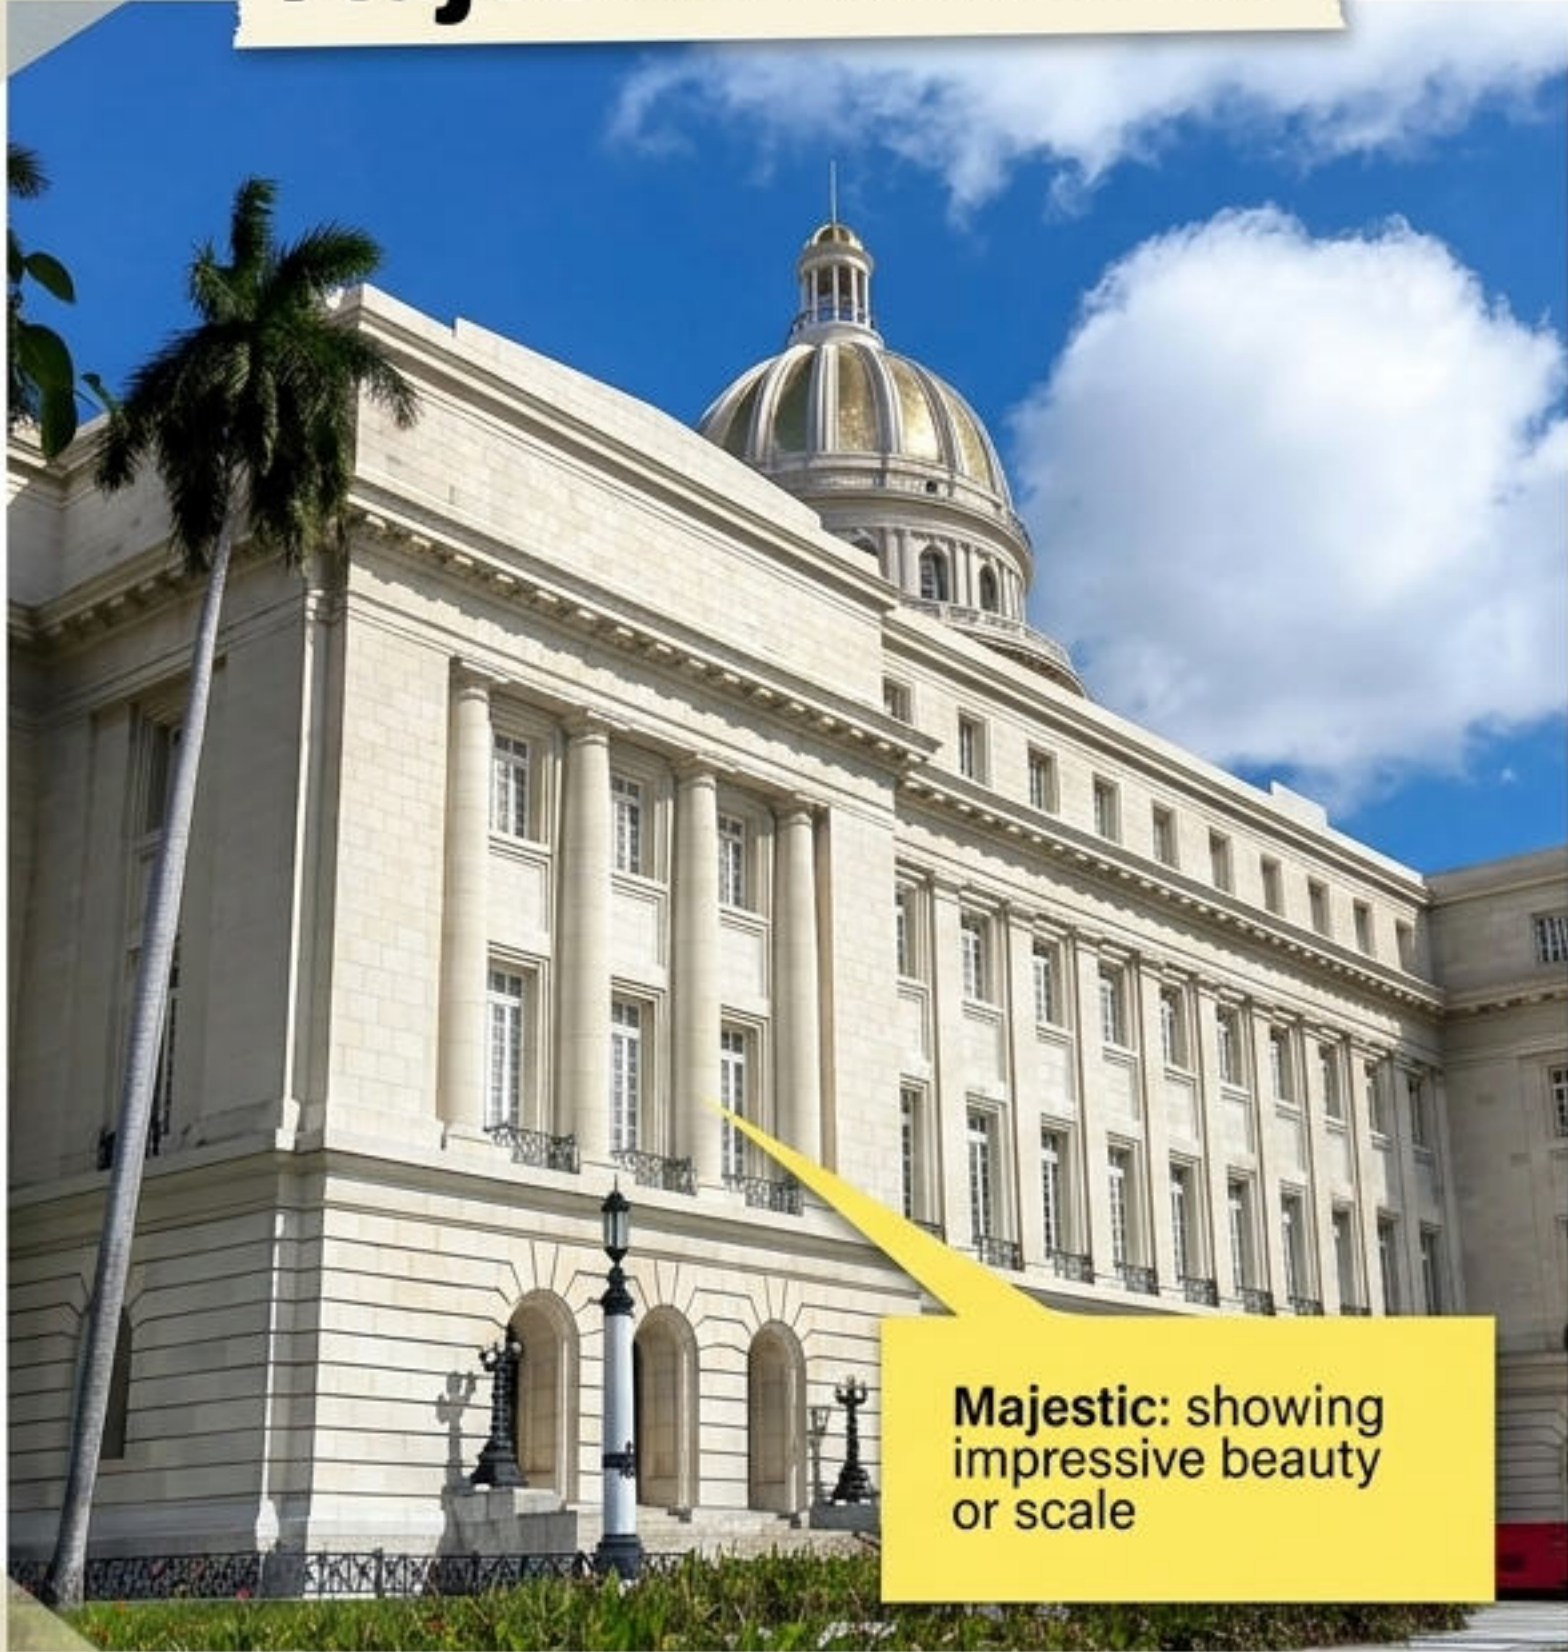

Vintage
(from an earlier
era, high quality)

...Classic on the Inside.

Well-kept
(maintained in
good condition)

Majestic Grandeur

Majestic: showing impressive beauty or scale

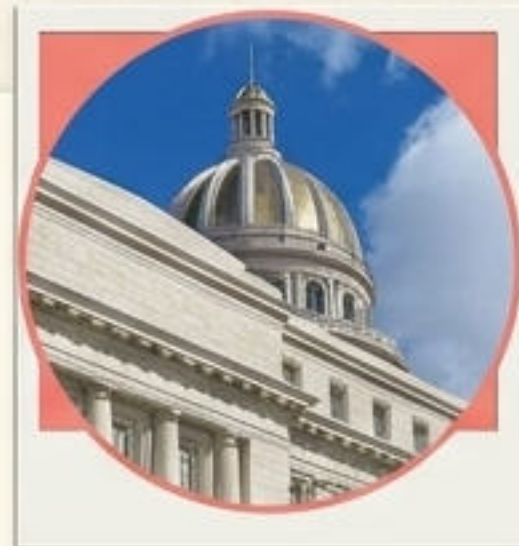

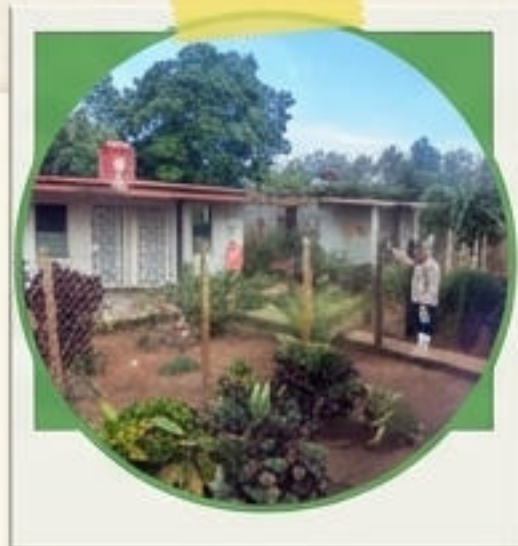

Dilapidated History

Dilapidated: in a state of ruin or disrepair due to age

Intricate: highly detailed

Pedestrian: related to walking on a street

Environment

The Coast

The Country

The City

Pace of Life

Tranquil & Relaxed

Modest & Slower

Bustling & Pedestrian

Key Features

Agriculture,
Monuments

Plazas, Vintage Cars,
Architecture

Target Adjectives

Pristine, Rugged,
Turquoise

Rural, Lush,
Well-kept

Majestic, Dilapidated,
Iconic

A Journey to Remember

Our journey through Cuba revealed a land of stunning contrasts. We began on the **rugged** shoreline, looking out over **pristine, turquoise** waters. Traveling inland, we discovered a **modest, rural** lifestyle supported by **agricultural** traditions and framed by **lush** greenery and stone **monuments**. Finally, we arrived in the city, where **iconic, vintage cars** cruise past both **majestic** landmarks and **dilapidated**, yet **intricate**, colonial streets. It is a truly unforgettable island.

Knowledge Check: True or False?

T/F - The classic cars used by tourists are usually modern and brand new.

T/F - A rugged shoreline is smooth, soft, and easy to walk on.

T/F - An inscription is a set of words carved into a monument.

T/F - A lush environment is filled with green, growing plants.

Your Turn: Describe the Scene

Prompt 1: Using the vocabulary from today, how would you describe the architecture of El Capitolio?

Prompt 2: What adjectives would you use to describe the ocean water in Varadero?

Great job today! Keep practicing
your vocabulary, and we'll see
you on the next trip.
